FOREIGN BROADCAST INFORMATION SERVICE

Of Special Interest This Week

+ SUPPORT FOR STATE -- FBIS provided support to Assistant Secretary of State Richard Murphy on two occasions. On 29 July the Wire Services Staff was asked to file two MOSCOW NEWS items on Soviet-Israeli relations to the Department for the assistant secretary's office. On the 31st Jordan Bureau was asked to file the text of the 31 July speech by King Husayn on his new West Bank policy to the American Embassy Geneva marked for the attention of the assistant secretary. On both occasions the State Department expressed its appreciation to FBIS for the rapid service.

+ DEPARTMENT OF ENERGY SERVICE -- The Department of Energy (DOE) again became a recipient of the Wire Services file on 29 July. DOE had been a consumer until the Wire automation last year. Reconnection was delayed pending DOE installation of the equipment necessary to receive the Wire file.
